I desire to state that it was the intention of the managers of the respective clubs to play a series of three games, which was done, the Fair-mont Athletic Club winning two out of mont Athletic Club winning two out of the three, and we thought that they were good losers and considered that we were the best team. We do not intend to give this team all of the open dates on our schedule, but we are willing to play them one more game on the Northwest Sunday School diamond in the near future. Norris can pitch Buck or any one else who he may see fit. Yours in sport, Fairmont, A. C., A. L. Zachary, secretary,
